Glencoe Skaters To Perform In Didsbury Saturday, March 11

Under the combined sponsorship of the Didsbury Branch of the Canadian Legion and the Didsbury Lions Club, the Glencoe Club Skaters of Calgary will put on an exhibition of fancy skating in the Didsbury Memorial Arena on Saturday evening, March 11, at 8 p.m.

On previous occasions the Glencoe Skaters have thrilled the local spectators with their skating numbers and this year's exhibition is said to be superior to former engagements.

Following the fancy skating there will be a hockey game between the Didsbury High School and the Westcott teams.

All proceeds are for the Didsbury Memorial Community Centre.

Plan now to take in the exhibition of fancy skating by the Glencoe Skaters on Saturday, March 11.

Regular Meeting of The Rugby Institute

This month the Rugby W.I. meeting was held at the home of Mrs. McNaughton with an attendance of 13. All arrangements were completed for the serving of lunch at the sale on Thursday.

It was decided to change the date of the social evening at the hall from March 22 to April 14, so as not to interfere with other functions.

Mrs. Scott was elected to attend the short course, "Blue Print for Action", given by the Health Institute on Cancer to be held May 28 to 31.

Mrs. Hogg gave a report on the Red Cross Convention recently held in Calgary. Mrs. Wahl's paper on the "New British Health Program" was very interesting and also very enlightening for the women of Trout, Strassere, who had just returned from Britain after making an intensive study of the British health program. "It has resulted in more medical care of a lower quality for more people at higher cost."

In the bus contest the first place went to Mrs. P. Hoesegood and second to Mrs. A. Cowitz. We don't think there were any buses left to take home after lunch was over.

Early Bachelors Have Stormy Trip to Town

In a letter to the editor, Mrs. Otto Lemke of Acadia Valley says she enjoys the home town paper from Didsbury, especially the articles on "Such Was Life".

She relates the following actual facts which were experienced by two brothers about 30 years ago:

"Both boys had to go to Sibbald about 13 miles away for coal. They took the team of horses and wagon, leaving early in the morning on a nice winter day. Just as they were getting ready to leave, for home it began to turn colder and soon began to snow. When about half way home it was really snowing and getting dark, so one of the boys walked ahead of the team to make sure they would stay on the road. Soon the road couldn't be seen, but they were certain they were near a vacant building, so stopped to look around and could see a faint object. On investigation it proved to be the building they were looking for. They put the team in an old buggy shed and fed them a few oats which had been left from the horses dinner.

When breaking into the house they found the family, on leaving for the winter, had taken all their furniture with them, so the house was bare. They then remembered a bachelor shack was across the road. He, too, had gone for the winter but had left his bed and stove, including some wood in the shack. Needless to say the boys soon had a roaring fire going, since the wood was nice and dry and one boy had gone to the wagon for coal.

All the boys had to eat that night for supper was apples which they had purchased in town, and again apples for breakfast. The bed was fairly comfortable, although somewhat cold for such a stormy night.

The next morning the storm had quieted down so they started for home, making it in time to prepare a good warm dinner."

BLOOD DONOR CLINIC MARCH 24

Art Reiber has received word that the date of the next Red Cross Blood Donor Clinic will be held in Didsbury on Friday, the 24th day of March.

The Clinic will be held in the basement of Evangelical Church in Didsbury from 3 to 6 p.m. on the above date.

New registrations are now being taken for blood donors. Anyone who has previously registered need not do so again, but since blood is so urgently needed, all who have failed to register during the past three years, should now come forth and leave their name with Mr. Reiber.

Final Plans Made For Game Ass'n Banquet

At an executive meeting of the Didsbury Fish and Game Association on Friday evening, March 3, final preparations were completed for the annual banquet to be held on Wednesday evening, March 15, in the Lions' Hall, starting at 6:45 p.m.

The ladies committee in charge of the banquet comprises Mrs. W. J. McCoy, Mrs. Ken McCoy, Mrs. J. McCoy, Mrs. J. Topley, Mrs. Ed Ford, Mrs. H. Lynch-Staunton, Mrs. E. Bouleau, Mrs. E. Grange and Mrs. Irvin Klein, and these ladies assure those attending that they will do their utmost to give them a well-prepared repast.

Mr. George Spargo, secretary of the Alberta Fish and Game Association will be present, together with officers from the neighboring fish and game associations, and films have been reserved for about 90 minutes of wild life pictures to be shown following the banquet.

During the program prizes will be presented to the winners of the magpie contest, and also to the winners of the fish derby.

Banquet tickets are now on sale at the office of the secretary, Geo. McDonald, Game Association members are asked to pick up their tickets before Saturday, March 11. After this date the unsold tickets will be available to the general public.

Mr. View Hall Society Wants New Members

The annual meeting of the Mountain View Community Hall was held on February 28 with a fair turnout of members. Minutes of the last meeting were read and the financial statement discussed.

A Society has been formed and the Mountain View Community Hall Association has been registered under the Societies Act.

By-laws of the Society were read and discussed. Any member living in the district may become a member of the Society by paying a membership fee of \$1.00. To date 12 members have signed up and it is hoped to increase the membership considerably. Any person who wishes to join should contact the secretary.

Election of officers took place and the following directors were elected: Otto Bittner and Lawrence Hunter, for three year terms; John Kohut and Ed McNeil for two year terms, and Harold Shultz for one year term.

To Present Trophies After Game Tonight

On Wednesday, March 8 (tonight) following the final game of the series between Olds High School and Didsbury High School at the Memorial Arena, two presentations will be made on the ice. The winner of the game will receive the Alberta Teachers' Association Trophy, awarded to the winning high school in the division.

The Ladies Sports Club Trophy will also be awarded to the valuable player on the Didsbury high school team. Careful records have been kept of all league and exhibition games and the committee has decided unanimously that the award will go this year to Raymond Miller, outstanding player.

Miller, outstanding player, has scored 15 goals and has assisted in 8 more, including exhibition games. Ray's scoring total to date is 19 points. He has played smart, heads-up hockey all season, has worked hard and scarcely knows what the inside of the penalty box looks like.

Art Reiber Again Heads Didsbury Red Cross Branch

Owing to the absence of the president, A.W. Reiber, Mr. E. Cogswell presided at the annual meeting of the Didsbury and District Branch of the Canadian Red Cross Society, held in the Lions' hall on February 25th.

The report of the secretary, W.A. Austin, outlined the work done by the branch during the past year, particularly in regards to the Blood Donor Clinics, and the Treasurer, C.E. Reiber, gave the financial report showing total receipts in 1949 of \$3142.04, and contributions amounting to \$3018.57.

A letter of thanks was received from Mrs. C. Mortimer for flowers sent, and the meeting expressed appreciation to Mrs. Mortimer for her efforts during the past ten years as chairman of the Women's Work Committee. This committee is being reorganized to continue the services provided in past years.

Mrs. E. Grange reported on the supplies provided for the blood donor service in town.

The following officers were elected for 1950:

President: A. W. Reiber.

Vice Presidents: East, Ken Burns;

March Meeting of The Westcott Institute

The March meeting of the Westcott W.I. was held at the home of Mrs. Ed Klein, with eighteen members and three visitors present. The meeting opened with O Canada and the Creed was repeated. Roll call was an "Alberta Traffic Jam".

Two parcels of Candy were received from two of the corresponding W.I.'s in England, so everyone enjoyed some good English mints to start out the meeting.

Mrs. E. Walker was elected delegate to be sent to the cancer school which will be held in May. The group then sang "Boomin' in the Gloamin'".

Mrs. G. Ford chose as her topic on Citizenship the wife of the Prime Minister of Canada, Madam St. Laurent, and outlined her life since her husband became Prime Minister.

The famous Canadian chosen for the month was Mrs. Elizabeth McDougall, first white lady to come to the west, and the topic was given by Mrs. Baudist.

Everyone then enjoyed a song by Mrs. B. McFarlane, "Western Home", accompanied on the piano by Mrs. Ford. The song was Ford's "bit of entertainment".

A number of members plan to attend the Conference in Red Deer this week, and the pictures were handed in so Mrs. Ford could complete the scrap book to be sent to the Conference.

The next meeting of the Westcott W.I. will be held at the home of Mrs. J. Ray on Tuesday, April 11th, instead of Thursday as usual. For just this next month the time is 2:30.

The Westcott W.I. welcomed one new member, Mrs. A. Bode, at this meeting, after which the meeting closed with God Save the King. The choir then had a short practice before lunch was served.

Mountain View Bible College Faculty Members to Tour Europe

PROFESSOR PETER WALDIN

Professor Peter Waldin of Calgary, Alberta, and Professor G. Lyle Richardson of Duxbury, Delaware, U.S.A., will visit Europe this summer in the interests of Youth For Christ. They are booked to speak in the British Isles, France, Germany, Holland and Denmark.

Youth For Christ International is preparing to send one hundred

teams of young men to tour Europe during the months of June, July and August. They will leave by plane from headquarters in Chicago sometime in June.

Mr. Waldin and Mr. Richardson were elected to represent the Western Canada division of Y.F.C. Prior

to their departure for Europe they will contact all of the Alberta Y.F.C. points.

Mr. Waldin is Professor of Speech and Philosophy, and Mr. Richardson is Professor of Vocal Music and Director of the choir in Mountain View Bible College at Didsbury, Alberta.

MARCH MEETING OF THE W.A. AFTERNOON GROUP

The March meeting of the Afternoon Group W.A. was held at the home of Mrs. C. F. Nichol on March 2nd with twelve members and two visitors present.

Mrs. Barton conducted the devotional period.

The April meeting will be held at the home of Mrs. Bruce Parker, each member is requested to bring a suitable article of food to be sent in a parcel to Britain.

Beavers Tie With Olds; Final Here Wednesday

It happens to the best of teams once in awhile and last Wednesday night it happened to the Beavers. The opening game of the play-off series with Olds saw a large crowd on hand but the Beavers had apparently picked that night to get a bad game out of their system and they were out skated and outaged in every department by the Olds High School. Miller scored the lone tally for the Beavers in the third period to make the score tied 2-2 for Olds, but Olds followed with another counter and they led the ice with a 3-1 victory.

In the second game of the series played at Olds on Friday night the Beavers were out there to win or else. They were back to their old form and took the lead early in the game and from there to the end were never headed. The opening goal was flipped in by Francis on a pass from Morris. A few minutes later Freeman turned on the red light by taking Miller's pass and the score read Beavers 2, Olds 0. Then Olds put on the pressure and managed to score.

Miller came back unassisted to make the score 3-1. Olds made it 3-2 in the third, and Newfield on a dummy passing play from Barrett and Freeman ended the scoring with Beavers 4, Olds 2.

It had been agreed that the team having the highest total score in the first two games would get the third game on their home ice, but the total scores were tied. Olds 5, Didsbury 5. The coaches agreed to toss for the location of the final game and it must have been Didsbury's night because they won the toss, so giving Didsbury supporters one more chance to see the Beavers in action in this final game for the championship of the league.

Be sure to see this game tonight, Wednesday, March 8.

West People Have An Enjoyable Whist Party

Eight tables of whist were played at the home of Mr. and Mrs. Alfred Cowitz on Friday evening, honors going to Mrs. A. Walldorf and Mr. L. Scott and consolation to Miss Laura McCulloch and Mr. L. Cowitz. Mr. P. Hoesegood won the bantam roster, guessing its weight.

Mrs. M. Campbell Jr. spent the weekend in Edmonton with her sister, Mrs. Roy Walton.

Mr. and Mrs. E. Fisher visited the latter's parents, Mr. and Mrs. E. Byrt, on Sunday.

Elkton and Doug Pound played off in the finals at Carstairs Wednesday of last week. Elkton winning 7-2 in a very rough game which threatened to get completely out of hand many times. Doug Pound won in Didsbury on Monday evening in overtime 3-2 in a good clean game, necessitating a third game which will be played in Didsbury.

Hope to see some town people out Mr. and Mrs. C. Blandert spent Sunday with Mr. and Mrs. J. Bagshaw.

The thought of cooler weather is no doubt uppermost in the minds of the sponsors of the fancy skating event, who hope for good ice for Saturday's exhibition.

Mr. and Mrs. Blandert spent last Wednesday visiting at the Ed Bersch home west of Elkton, bringing back Clifford Bersch, who will help out at the Goetjen farm for awhile.

A large crowd was in attendance at the Didsbury Arena to see the second of the play-off games between Elkton and Doug Pound. Doug Pound won 3-2 in overtime. Mr. W. Weidner was one of the officials at this game.

Raymond Wigand is away from school at Didsbury because of his sister Marlene having scarlet fever. Nurses from the Health Unit visited Westcott school on Friday and checked over the pupils.

Redeemer Walther League held a skating party at the Westcott rink last Tuesday evening.

Wilbert Bersch, who has spent the past month at Nanton, was a visitor in the district over the week end.

Mrs. Harry Levagood has been on the sick list this past week. The First Westcott Scout Troop wishes to thank all those who came out to their social evening and supported them. The sum of \$38.50 was realized and an enjoyable evening was spent. The lucky door prize was won by Howard Robertson.

Mrs. C. P. Shields is out of the hospital after a seige of pneumonia.

The younger folks are a little reluctant to see our ice go off the rink because of this mild weather. However, a bunch turned out as usual Friday night last and tried skating in the slush. The weather has turned a little colder and our caretaker, Mr. Ken Folkman, will endeavor to give us more good ice if it's at all possible.

Former Didsburyites Surprised With Party

A surprise party of about forty relatives and friends, mostly old timers of the Didsbury district, gathered at the home of Mr. and Mrs. Fred Nelson, Calgary, to celebrate a joint birthday party for Mr. Ed Liesemer and Mr. Hugh McLean, who are enjoying life at the age of 73 years.

Joe Hartner supplied moving pictures which were followed by jingo and a sing song.

The highlight of the evening was the serving of a delightful lunch by the hostess, after which a three-tier birthday cake with 73 candles around the motion tier was presented. The cake was beautifully decorated and two miniature men dressed in evening attire with candles, adorned the top layer. Each person present helped to light the candles and the guests of honor completed the task.

The party was a complete surprise to both Mr. Liesemer and Mr. McLean and it was not until the cake appeared that they realized their friends had remembered the occasion.

WESTCOTT NOTES

(Last Week)

Donald Reinhardt accompanied Doug Schneidmiller to Windsor, Ont., where the latter is picking up a new truck.

Westcott won the hockey game played in Didsbury with the Didsbury High School. Score 6-5.

Those of us who attended the program put on by the Elkton Sports Club at Rugby last Wednesday evening thoroughly enjoyed the play. The players were very well presented and the players are to be commended for their fine performance.

Mrs. Clarence Reinhardt's niece, Mrs. G. Quick of Marysville, B.C., spent a long weekend here, also visiting her father at Elkton.

Mr. and Mrs. Herbert Goetjen and family spent Sunday with Goetjen's parents, Mr. and Mrs. H. Popple in Didsbury.

A couple of very well-attended private skating parties took place this past week at the Westcott rink. The executive hopes that we may have the opportunity to serve you again.

Mr. James Hughes arrived home from hospital Friday and is feeling quite well again.

The last few days we have been experiencing blustery weather, typical of March only a few days early, and the snow has disappeared quite rapidly and roads are beginning to get muddy.

(This Week)

Mr. and Mrs. Herbert Goetjen spent last Wednesday visiting at the Ed Bersch home west of Elkton, bringing back Clifford Bersch, who will help out at the Goetjen farm for awhile.

A large crowd was in attendance at the Didsbury Arena to see the second of the play-off games between Elkton and Doug Pound. Doug Pound won 3-2 in overtime. Mr. W. Weidner was one of the officials at this game.

Raymond Wigand is away from school at Didsbury because of his sister Marlene having scarlet fever. Nurses from the Health Unit visited Westcott school on Friday and checked over the pupils.

Redeemer Walther League held a skating party at the Westcott rink last Tuesday evening.

Wilbert Bersch, who has spent the past month at Nanton, was a visitor in the district over the week end.

Mrs. Harry Levagood has been on the sick list this past week. The First Westcott Scout Troop wishes to thank all those who came out to their social evening and supported them. The sum of \$38.50 was realized and an enjoyable evening was spent. The lucky door prize was won by Howard Robertson.

Mrs. C. P. Shields is out of the hospital after a seige of pneumonia.

The younger folks are a little reluctant to see our ice go off the rink because of this mild weather. However, a bunch turned out as usual Friday night last and tried skating in the slush. THE HEALTH UNIT
REPORTS

Saturday, March 4, 1950. We take
of our hats this week to a young
school teacher about fifteen miles
west of Didsbury, whose vigilance
may, we hope, make it possible
for us to nip in the bud another
smouldering focus of scarlet fever
infection. This young man had
noticed that an undue proportion
of his pupils had been complaining
of sore throats that one or two
of them had been away with so-
called measles rash. He put two
and two together and this added
up to arousing his suspicions as
to the possibility of scarlet fever
being the cause of it all. He
promptly telephoned us. We came
and diagnosed this malady in a
sufficiently large number of pupils
to cause us to close the school for
three weeks and to quarantine the
boys and girls for a similar period,
to the delight of some and to the
chagrin of others.

By now all the teachers in our
Health Unit area will have received
our circular letter pointing out that
scarlet fever in its present mild
form may manifest itself by nothing
more than a sore throat, but
that these mild cases may give
rise to very severe cases, and that
eternal vigilance and prompt isola-
tion are the keystones to success
in fighting this disease.

There appears to be a good deal
of misunderstanding as to the isola-
tion and quarantine regulations for
scarlet fever. These regulations, as
he noted in the first place, are
not arbitrarily made up by this
office; they are set forth in the
Public Health Regulations of the
Province of Alberta. In other words
they are the Law of the Land, and
they are not anyone else, may
tamper with them. As regards the
main import of the regulations,
anyone contracting scarlet fever
must be isolated for a period of
twenty-one days reckoned from the
day of onset of the disease. That
is to say, he or she must be kept
at home, preferably in a room
alone and away from the other
children of the family. Any other
children in the house—and by
children we mean anyone under
eighteen years of age—must be
quarantined for the same time
that is, until the end of the isola-
tion of the patient. Any children
not living in the same house but
having been in contact with the
scarlet fever patient, must be quar-
antined for a period of seven days.
Quarantine means that the con-
tact must not leave the confines
of the house and grounds of his
or her home, and no person under
eighteen years of age may come
and visit the home which has been
quarantined.

In so far as persons of eighteen
years of age and over are con-
cerned, they are not subject to any
quarantine restrictions whatsoever,
with three important exceptions.
Contacts of eighteen and over must
be excluded from any occupations
involving the handling of food for
public consumption, the handling
of children not their own, and the
handling of public laundry. Thus
a farmer may not milk his cows

THE SPORTING CLUB OF ELKTON

The following was written by
Mrs. I. Belfus of Elkton and was
recited at a recent gathering by
Vera Belfus:

The Sporting Club of Elkton
Asked me to make a speech.
And perhaps before I finish
They'll wish I'd kept my seat.

Way back in Elkton's history
This famous Club was formed
By several far-sighted sportsmen,
Though their efforts by many were
scorned.

During the summer a ball team
Received their hearty support.
And at the opening of the season
They win without too much effort,
But before the summer is over
They've met with many defeats.
And when it comes to play-offs,
They usually take a far back seat.

Last summer the women decided
To play at ball games too,
Of course their blunders were many
But they managed to win a few.

Several years ago these great men
Decided to build a skating rink,
So all with hammers got busy
Even the women helped, I think.

Now many come from miles around
And have a jolly good time,
For there is fun for young and old,
Though it scarcely costs a dime.

And now they have a hockey team
Which has proven of the best,
None other in the league
Can beat their man in the net.

Humanity's inherent compassion
Is shown in its provision for
at least one nourishing meal daily
for millions of hungry children.

If the milk is destined for the
dairy and for consumption by the
public, a teacher may not go on
teaching his class, and a laundress
must abstain from handling
any laundry to the public. These
regulations are quite simple and
straight forward, but we have had
personal experiences of misunder-
standings and misinterpretations
in several instances.

In between the scarlet fever pre-
occupations we have been examin-
ing school children and doing our
level best to dig up faults, defects
and latent diseases. On the whole
let us state right here that the
health of our youngsters by and
large is pretty good. But let us
make one plea this week, that of
better dental care. Our dental con-
fessors will agree I think that this
business of brushing of the teeth
morning and night is not observed
as often as it ought to be. And the
boys are much greater offenders
than the girls. Maybe they think
it is a cissy to brush their teeth.
As an eminent colleague of ours
remarked: they won't think it cissy
when at an early age they have to
start wearing dentures!

It pays to use

MARVELUBE TRACTOR OIL

- Marvelube is quick-drying. From the first piston-stroke of a cold engine, it protects cylinders and bearings... a time when a slow-moving oil would permit serious wear.
- Marvelube is heat resisting. Doesn't thin out in a hot engine, but continues to lubricate and protect all day long.
- Marvelube forms very little carbon... helps engines to keep operating at full power.
- Marvelube resists the formation of sludge in the crank case, which is so hard on engines when it forms.

T.B. Free Area To Be Established In M.D.

(Hugh McPhail, D.A.)

The petitions for the establishment of a T.B. Free Area in the Municipal District of Mountain View No. 49 have now been completed. About 90 per cent of the cattle owners favor going ahead with the establishment of such an area. I expect that within a year a start will be made.

Recently a change has been made in compensation for T. B. restricted areas. It is as follows: "Purchased animals are valued at \$100 for compensation, and grades at \$10. That is essentially the same as before when the valuations were \$150 and \$60, of which two-thirds was the maximum compensation paid.

On the slaughter of reactors, the owner receives carcass value, regardless of whether the animal is condemned or not. Before, the owner of condemned animals received only hide and fertilizer value. Now he receives compensation equal to the amount that the animal would have been worth as beef as if it had been perfectly healthy. Therefore, the owner does not stand a heavy financial loss as formerly. This condemnation compensation is retroactive to April 1, 1947. Besides the carcass value, the owner receives the \$100 or \$10 compensation as mentioned in paragraph one. The owner of animals that aren't condemned always did receive carcass value of the edible meat and this change in compensation only effects those animals which are condemned.

Another boost for calfhood vaccination is given in the following item from Dr. Ballantyne:

"During 1949 a large dairy herd that was Bang's free had infection introduced by the purchase of an infected cow. 18 calves aborted, mostly while on pasture. In the same pasture field were twelve pregnant heifers which were vaccinated as calves. They couldn't help being exposed to heavy infection, but every one carried its calf full term. The calves were all born normal and healthy. As first calf heifers were more liable to abort than other cows, we presume

CHRISTIAN SCIENCE

"And Jesus rebuked the devil; and he departed out of him; and the child was cured from that very hour." Matthew 17: 18. "The sick is an absolute faith that all things are possible to God, and spiritual undertaking of Him, an unselfish love." The Sunday Lesson-Sermon on Substance in all Christian Science churches is composed of readings like the foregoing.

that if these heifers had not been vaccinated as calves a high percentage of all would have aborted. This clearly shows the value of calfhood vaccination in a negative herd and also how easy it is to introduce infection even into the best of herds. The loss in milk and cream in this herd would amount to a lot of money. No owner of a clean herd can be certain of keeping infection out. Dogs and even coyotes may drag an aborted calf on to his property.

Another example pertaining to an infected herd is as follows: Several ranchers at one time lost 30 to 40 calves every year due to Bang's disease. By following a yearly program of calfhood vaccination these losses have been eliminated. 20 to 10 extra beef cattle for sale now mean \$6000 to \$8000 more annually, so calfhood vaccination has paid them big dividends each year.

In 1949 the number of calves vaccinated was 21,000, as compared to 1000 in 1948. Let's try to make it 50,000 in 1950.

FARM DEBT

In 1936 Alberta farmers owed more than \$108 million on some 38,000 farms. By 1946 this debt had been reduced to \$3 million on 22,000 farms. These are the latest figures which are available. This information was given by Hon. David Ure, provincial minister of agriculture, when addressing a meeting in Calgary recently.

RARE CANADIAN STAMPS

Among those present at a recent sale of Canadian stamps at Messrs. Harmer in London was a collector who had flown over specially from Canada. The stamps brought altogether some \$15,000, including \$830 for the set of Canadian stamps issued in 1897 (1¢ to 5¢) in honor of Queen Victoria's diamond jubilee.

THE WONDERFUL NEW
GENERAL ELECTRIC
FLOOR POLISHER
\$59.50

The back-breaking job of polishing floors by hand or with a clumsy, weighted brush is a thing of the past! The G-E Floor Polisher with counter-rotating brushes does a speedy, gleaming job on hardwood, linoleum, and tile floors... right up to the baseboard, deep into corners and close to furniture. All you do is guide it over waxed floors and the two, fast-moving brushes do all the work.

ZELLA NOTES

Ten tables of whist were played at the party held at the home of Mr. and Mrs. Edward Waldruff on Tuesday evening. Winners of first prizes were Mrs. Edith Campbell and Mr. A. Knights, while consolation went to Mrs. Wilbur Jahne and Jim Johnston.

The next card party is on Tuesday, March 14, when Mrs. M. A. Knights and Mrs. Tony Spooner will be co-hostesses at the Knights' home. Everybody welcome.

Judy Johnston is visiting with her grandparents, Mr. and Mrs. Young, at Grainger.

The ladies of the W.I. were invited to the home of Mrs. Cliff Gibbs Thursday afternoon and had a pleasant time putting the scrap book on Alberta together.

EAST NOTES

Mr. Fred Metz and Mr. Clare Herron were business visitors at Gleichen on Tuesday.

Edwards and Thomas Patterson and Pat Spragg were visitors at Olds on Friday.

A number of friends and neighbors gathered at the Fred Metz home on Wednesday evening, the occasion being Mrs. Dowell's birthday. Six tables of court whist were played, after which the ladies served a lovely lunch. Everyone departed for home after an enjoyable evening.

Mr. and Mrs. Elmer Ehret spent Wednesday evening with Mr. and Mrs. Alvin Phal.

Mr. and Mrs. Rasmussen and son James, who were injured in a car accident a week ago Sunday, are making favorable progress in the Municipal Hospital in Didsbury.

Mrs. Evelyn Eckel was a Saturday evening visitor with Mrs. E. Dowell.

It was reported Monday that Mrs. Peter Schumaker was taken to the Didsbury hospital, and best wishes are extended to her at this time.

Roy Dowell didn't make the turn at the slough south of the Midway Community Centre on Sunday evening, and went into the ditch. The car had to be pulled out with a tractor.

CREMONA NEWS

Mr. and Mrs. A. Leinweber and family visited over the weekend with friends and relatives at Carleton Place.

Miss Ruth Johnston visited for the past two weeks with Miss Betty Johnston of Sundre.

Mrs. John Daintry has been a guest for the past week at the home of Mr. and Mrs. G. Whitlow. Construction on the Bruce Hewitt house has been completed and Mr. and Mrs. Hewitt and Sheila took up residence in their new home the first of the week.

Sheila Hewitt is improving in health after spending a few days in the Calgary General Hospital. Mr. Duncan McLeod visited at Champion over the weekend.

Mr. Fraser is now janitor of the Cremona hall, due to the illness of the former janitor, Mr. Simon McGuire.

New Hall Board members are: W. Frizell, president; Mrs. G. Brown, secretary; treasurer, representing Women's Institute; C. Rawleigh, in charge of upkeep; Mrs. C. Rawleigh; Mrs. S. Schultz representing Women's Institute; Alex. Hettiger; John C. Stuart; K. Bergeson Sr.

The Board of Trade is sponsoring a public meeting on Thursday, March 9, with Mr. A. Hogg and Mr. H. Goetjen, the candidates for municipal councillor, as speakers. The curling rink is starting to take shape, with the rafters up.

WESTERDALE

Mrs. T. Collinge of Acme resided last week at the home of Mr. and Mrs. Ben Kershaw.

Mr. and Mrs. R. McCrae of Calgary arrived last Tuesday to spend a week visiting at the home of Mr. and Mrs. R. Jackson.

Mrs. S. Jackson and son Wayne left by train last Friday for Altario where they intend to spend a couple of weeks with Mrs. Jackson's father, Mr. Gowland.

Mr. and Mrs. Koch of Trochu were Sunday visitors at the home of Mr. and Mrs. A. Jones.

MOUNTAIN VIEW

A shower for Miss Shirley Cullen will be held at the Mountain View hall this Thursday afternoon, March 9. Everyone welcome.

Mr. and Mrs. Charles Kohut and Mr. Ed McNeil spent the weekend in Edmonton.

Last Thursday evening Mrs. Reg Hopner, Mrs. Wm. Shultz, Miss Linda Isaac, Mrs. James Worrall and Mrs. L. Hunter visited Mrs. Barney Elliott to work on the Institute scrap book.

Mr. and Mrs. T. J. Hunter and family of Red Deer visited over the weekend with Mr. and Mrs. Adam Morash and family.

Mr. George Smith, formerly of Didsbury, who was badly burned about the face and hands in a boiler explosion at Bassano recently, has been visiting with his daughter, Mrs. Eric Atkinson, while recuperating.

Mr. and Mrs. Harold Shultz had as their dinner guests Sunday her parents, Mr. and Mrs. Christenson and her brother, Mr. Leo Christenson and his wife.

Donald Stiles and John Parker who are attending University at Edmonton visited over the weekend with their respective parents.

Mr. and Mrs. Allan Leith and Elaine of Arrowwood were weekend visitors with the latter's parents, Mr. and Mrs. Garnet Tighe.

Mrs. John Wiebe visited Friday afternoon with Mrs. Garnet Tighe. The concert box social and picture show, put on by the Jutland Beef Club at the Mountain View hall on Friday evening, was a complete success.

Mr. and Mrs. Tom McCall of Calgary visited Thursday and Friday with Mr. and Mrs. Grenville McCall and family.

Mr. and Mrs. Lawrence Hunter visited Sunday with Mr. and Mrs. Harold Swanson.

Mr. and Mrs. Joe Hunter and Mr. and Mrs. Sam Elliott were Calgary visitors Thursday and Friday.

Mr. Ed Stiles was the winner of the letter box, made by Bud Tighe, which was drawn for at the Calf Club box social on Friday evening.

Pee Wee Hockey

In the second game of a two-game total goal series, Rangers and Canadians tied 3-3. Ten minutes overtime failed to break the deadlock. The first game of the series had also ended in a 3-3 tie so that a third game will now be necessary.

In the other half of the play-off series, Blackhawks lead the Lions by virtue of a 3-0 triumph in their first game.

Games in the Pee Wee series will be played from 7:00 to 8:15 Tuesday, Wednesday, and Friday nights of this week.

ARENA SCHEDULE

Wednesday, March 8 — 8:30 p.m.—High school play-off game with Olds.

Thursday, March 9 — 3:30-5:30 p.m.—Childrens Skating 7-8 p.m.—Midget Hockey game.

CANADIAN INDUSTRY EXPANDS

Industrial expansion in Canada is proceeding at a more rapid pace than is generally realized. Some 250 new plants have been established in this country during the last two years. Approximately 180 of these firms are branch plants of well-known United States concerns, sixty being en-

gaged in the development of the oil industry. Some sixty companies originated in Great Britain and twenty in other countries. Most of these firms are now engaged in the production of goods which, in the main, would otherwise have involved an outlay of American dollars, or are committed to such production, and are providing additional employment for some 8000

Canadians.

Canada is expanding more rapidly in relation to her gross national product than the United States, the most highly industrialized country in the world. Canada is spending more on goods and services to improve the standard of living, and also expanding the capital structure of the country at a higher rate than ever before. Total capital investment in 1949 reached a peak of 3.3 billion dollars, and it is expected that the figure for 1950 will be approximately the same.

The development of industry in Canada must always, in the final analysis, be a product of individual initiative. The individual is the dominant factor in our philosophy of life. In fact, industrialization in Canada means private individuals and private companies starting new businesses or expanding existing ones. In this effort, governments can help, but the help is effective only if sufficient initiative and vision are forthcoming from the business community.

Born to Mr. and Mrs. Dave Adams (Evelyn Kline) of Carstairs, on Monday, March 6, a son.

LITTLE ITEMS OF LOCAL INTEREST

Mr. and Mrs. Lloyd Jenkins of Calgary spent the weekend visiting in Didsbury with Mr. and Mrs. Ed Blair.

At the annual meeting of the Calgary Diocesan Board of the Women's Auxiliary of the Church of England, held in Calgary last week, Mrs. J.E. Huget of Olds was elected vice president for the north. At the time of her election Mrs. Huget was a delegate representing St. Cyril's Branch, Didsbury.

Mr. and Mrs. Evard McNeil, Mrs. A. Schneidmiller and Phillip spent Sunday with Mr. and Mrs. Phil McNeil.

Ell Peterson, who spent the winter with his sister in Calgary, has again returned to Didsbury.

The regular monthly meeting of the Mens Chapter of the L.O.E. will be held on Thursday evening, March 9, at 8:30 p.m.

Born at the Didsbury hospital to Mr. and Mrs. Harvey Stevens on Wednesday, March 1, a son.

The pupils of the Grade VIII class of the Didsbury school have forwarded \$20.35, \$10 of which was their carnival prize money, to the March of Dimes fund.

Irwin Klein completed 45 years of continuous residence in Didsbury on March 4th. He came here with his parents from Nebraska as a lad of six, and has resided in the Didsbury district ever since.

Fred Platz, Irwin Klein, Jay Tuggle and Jack Shannon comprised the local rink playing in the one-day bonspiel at Innisfail last Wednesday, but they didn't get into the jewellery class.

Miss Doreen Gillrie left the first of the week for a holiday with relatives in California, and Miss Olwyn Hughes has filled the vacancy on the staff of Law's Drug Store.

Norman Weber has 19 sheep and from them has had 38 lambs this spring. He has had three sets of triplets, 13 sets of twins and three single lambs.

Mr. and Mrs. C. E. Tuggle, accompanied by Mr. and Mrs. Raymond Shantz, motored to Camrose over the weekend to visit with Mr. and Mrs. Gene Gasser and family.

George Platz, who has been employed as egg grader for the past year at the Alberta Poultry Producers egg station here, left Monday for Calgary where he has accepted a position at the office of the Imperial Bank.

Miss D. Thomas, R.N., of Bellingham, Washington, arrived in Calgary by plane on Thursday, and will visit for a time with her father, J. D. Thomas, and her brother, as well as with her sister, Mrs. M. J. Hall at Indus, while on holidays.

The Afternoon Group of United Church W.A. will hold a sale of aprons, fancy work, and home cooking in the basement of the United Church on Saturday, March 8th, at 3 p.m. Afternoon tea will be served. 10-2c

J. V. Berscht & Sons have installed a new air conditioning unit in their Didsbury store.

The C.G.L.T., assisted by Tuxis and Trail Ranger Groups, will present a concert in the Didsbury Theatre on Wednesday, March 15th. There will be two performances. The matinee will begin at 3:35 p.m. and the evening performance at 8 p.m. Admission for matinee: adults 50c; students (grades 7-12) 25c; children (grades 6 and under) 15c. Admission for the evening performance is: adults 50c; students and children 25c. Adult tickets may be bought from C.G.L.T. members. 1c
